

# HET RIETEN DAK

## **A place with rich history**

Het Rieten Dak has been around since 1936 and has undergone many transformations over the years. From a tea house to the charming hospitality venue it is today. In October 2025, Chris and Geerten from Knus (just five minutes down the road), together with their new partner Ruben, took over Het Rieten Dak. We love being part of your celebration or special occasion at this unique location, surrounded by old chestnut trees and overlooking the beautiful water.

Our terraces and indoor spaces can be rented both during the day and in the evening in combination with one of our packages. You'll find a small sneak preview of these in this menu.

Planning to celebrate something? Just come talk to us. Got suggestions for improvement? We're always open for a chat over a cup of coffee.

Warm regards,

**Geerten, Chris and Ruben**
